PROFILE

A highly motivated and detail-oriented Junior Web Developer with hands-on experience in HTML, CSS, and Bootstrap. I have developed responsive and user-friendly websites with a focus on clean code and modern design. Passionate about front-end development, I enjoy turning creative ideas into interactive web pages. Seeking an opportunity to grow my skills in a professional environment and contribute to real-world web projects.

WORK EXPERIENCE

- Developed responsive websites using HTML5, CSS3, and Bootstrap 5 with clean and organized code.
- Built multiple mobile-friendly landing pages and portfolio layouts.
- Designed and implemented modern UI components using Bootstrap grid system and utility classes.
- Focused on cross-browser compatibility and performance optimization.
- Created personal projects to practice front-end techniques and applied web standards.

HOBBIES

- Reading Books
- Traveling
- Sports
- Fitness
